

Subpart D—Reemployment of Disability Annuitants

§ 837.401 Generally.

A disability annuitant may be reemployed in any position for which he or she is qualified.

§ 837.402 Special notice.

(a) *To annuitant.* In addition to the advice described in paragraph 837.103(b) of this part, the agency should generally also advise a disability annuitant, in writing, prior to reemployment, that—

(1) Reemployment on a permanent basis in a position equivalent in grade and pay to the position from which the annuitant retired may constitute the basis for an OPM finding of recovery from disability;

(2) Reemployment subject to medical and physical qualification standards equivalent to those of the position from which the annuitant retired may constitute the basis for an OPM finding of recovery from disability;

(3) The pay of the position in which the annuitant is reemployed, prior to the offset of annuity, or the pay of an interim appointment under § 772.102 of this chapter, as may be applicable, will be included as earnings in determining whether the disability annuity will be terminated due to restoration to earning capacity;

(4) Receipt of, or continued entitlement to receive, full or partial FEC benefits during reemployment, when those benefits are based on the same injury or medical condition that is the basis for OPM's award of disability retirement, is conclusive evidence (unless there is contravening medical evidence) that the annuitant has not recovered from the disability; and

(5) A disability annuitant age 60 or over cannot be found by OPM to be restored to earning capacity, and can only be found recovered at the annuitant's request.

(b) *To OPM.* On reemployment of a disability annuitant, the employing agency shall, in addition to the notice required by § 837.103(a) of this part, notify OPM in writing of—

(1) The physical and medical requirements of the position (providing a copy of the employee's position description);

(2) The position's grade level and/or rate of pay;

(3) Whether the employment is full-time, part-time, or intermittent;

(4) Whether, to the best of the agency's knowledge, the reemployed annuitant is receiving, or entitled to receive, FEC benefits; and

(5) Whether any medical evidence was used in making the employment decision, and if so, provide OPM with a copy of the medical information.

§ 837.403 Termination of annuity during reemployment.

(a) *Agency action.* When a reemployed disability annuitant is found recovered from disability or restored to earning capacity by OPM, OPM shall terminate the annuity as of the date of the finding, and the employing agency shall cease reducing pay by the amount of annuity allocable to the period of reemployment effective that same date. If the appointment is subject to retirement deductions, retirement deductions will begin or continue, as the case may be.

(b) *Subsequent benefits*—(1) *CSRS.* If, on separation from a period of reemployment during which the disability annuity was terminated because of recovery or restoration to earning capacity, the former disability annuitant is entitled to either an immediate or deferred annuity based on the most recent separation, any right to an annuity based on a prior separation is permanently extinguished. If no such right to immediate or deferred annuity accrues based on this most recent separation, however, any right to immediate or deferred annuity will be determined on the basis of the next prior separation.

(2) *FERS.* If a disability annuity is terminated during a period of reemployment because of recovery or restoration to earning capacity, any right to an annuity based on a prior separation is permanently extinguished, except as otherwise provided by § 844.405(b)(2) of this chapter.

§ 837.404 Reinstatement of annuity during a period of employment not subject to CSRS or FERS.

When OPM reinstates the disability annuity of an individual employed in a
